RING *of* FIRE Inferno Private Event Benefit

Sparkman Cellars is about family. We have created our Inferno Private Event Benefit to ensure that our most loyal Ring *of* Fire family members can enjoy complimentary annual access to our winery facilities for their family and business events. This benefit is perfect for birthdays, anniversaries, showers, family/friend parties and an array of business event possibilities. There are nearly limitless ways we can help structure your event - a unique private tasting for family and friends, a customer appreciation event for your business or even an elegant seated dinner with one our area's top restaurants/caterers.

- Complimentary use of either our Warehouse District or Hollywood District Private Event spaces once per year (up to a \$500+ value)
- Includes complimentary use of the facility for up to 25 guests and 4 hours
- Includes one Sparkman wine educator to pour and provide a tour
- \$300 wine minimum purchase is waived
- Available to all Inferno members whose allocation purchases are current and have maintained the Inferno level for at least one year prior to the chosen event date
- Mutually agreed upon date and time. Our facilities are frequently available and we will do our best to accommodate you, but some dates are unavailable due to crush, holidays, available staffing and regular business hours.
- We are happy to assist with any rental needs you may have
- Catering and food service, if needed, must be provided by one of our Preferred Caterers
- Additional hours, guests or facility needs may incur additional charges
- Barrel tastings may be available at our Warehouse District event space for an additional charge
- Please view our Private Events page on our website for a visual tour of our facilities, a list of our Preferred Caterers and all event related parameters and requirements
